Somethings might be wrong

9/16/2019 at 10:45am

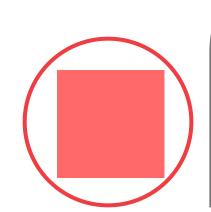

Does the surgeon suspect ongoing or very recent bleeding?

LS

Something seems to be wrong

9/16/2019 at 10:45am

Give 20 mL/kg and LR or NS

9/16/2019 at 10:45am

1 Is there sustained response to LR or NS?

LS
